Introduction:

Greetings Potential Sponsors!

I, Audrell Fuqua, am the visionary force behind Beloved Plus, LLC. My journey, marked by personal triumph over addiction, recovery, and mental health struggles, fuels my passion for creating positive change. Drawing on my experiences as a social worker and my commitment to artistic expression, I present Beloved Plus—an innovative platform that blends art, creativity, and healing to empower individuals on their transformative journeys.

The Genesis of Beloved Plus:

The seeds of Beloved Plus were planted a decade ago during conversations with my siblings. However, it was the crucible of the COVID-19 pandemic and my brother Tyre's illness that ignited my determination to turn this vision into reality.
